**Walking to and from school alone
Policy
2020/21**

WALKING TO AND FROM SCHOOL ALONE

There are no laws around age or distance of walking to school. A families' guide to the law states: *'There is no law prohibiting children from being out on their own at any age. It is a matter of judgement for parents to decide when children play out on their own, walk to the shops or school.'*

Parents are legally obliged to ensure their children get to school and attend regularly, but this in itself does not disallow independent travel.

In addition, as a school we have a duty of care for the safety and well-being of our children and therefore this policy is to help advise parents/ carers in the decisions they make for their children in relation to safety to and from school. We also have an obligation to alert relevant authorities should we believe a child's welfare is at risk.

Pupils in Foundation Stage (Reception), KS1 (Year 1 & 2) and Year 3 and 4

Our school policy is that pupils in Pupils in Foundation Stage (Reception), KS1 (Year 1 & 2) and Year 3 and 4 **should NOT walk to and from school on their own** or be left on their own on the school premises either before or after school.

In addition, we will only hand over pupils to named adults or older siblings, who are on the school data form **provided they are 18 year old or above**. Pupils will not be handed over to other adults unless the school has been informed by parents that they have made this arrangement. We also ask that you keep us informed of any changes in arrangements. If someone turns up to collect your child and we have not been notified, the adult will have to wait until we have verified his or her identity.

If no one turns up to collect a child in these year groups, they will be kept in school and parents contacted.

If the child is not collected within 45 minutes and we have failed to make contact with the child's carer, we have a duty of care to refer to social services.

Pupils in Year 5 and Year 6

For pupils in Year 5 and Year 6, we believe that if children **live within walking distance to school and are able to walk a safe route** then you as parents need to decide whether your child is ready for the responsibility of walking to and from school alone. **If your child is attending extra- curricular activities or Afterschool Provision (JASZ Club) then we request that all children attending these sessions are collected by an adult on time.** Failure to collect children punctually from these activities could lead to activities being withdrawn.

In deciding whether your child is ready to walk to school alone you should assess any risks associated with the route to school and assess your child's confidence. There are many ways you

can prepare your child to make an independent journey. One way is to follow them a few times on their journey, so you know how safe and sensible they are.

When deciding whether your child is ready for the responsibility of walking to and/or from home you might want to consider the following.

1. Do you trust them to walk straight to school or straight home, using the agreed safe route?
2. Are there roads to cross on the route and how busy/ safe are those roads?
3. Do you trust them to behave sensibly when with a friend or group of friends?
4. Are they road aware?
5. Would they know what to do if a stranger approached them?
6. Would they know what to do if they needed help?
7. Do they understand about keeping themselves safe and not to make any dangerous choices, either by themselves or with a group of friends?

If you decide that your child is ready for this responsibility, please complete the attached form.

How to complete the form

1. circle yes or no for each statement (please note if you circle 'no' for any of the statements your child may not be ready to walk to or from school alone).
2. Read the information and if you agree sign and date if you want your child **to walk to school alone**
3. Read the information and if you agree, please sign and date if you want your child **to walk home alone**
4. Please send the form into the office - for safeguarding purposes, the form needs to be submitted prior to any independent travel
5. If at any time you need to change the arrangements, please let us know in writing.

As part of keeping children safe and the school being able to support our families in case of an emergency we do request that parents provide us with a copy of the walking route.

You will receive a letter from the school to confirm that we have received your permission form for your child to either walk to school alone, walk alone from school to home or both.
