## Jolesfield Church of England Primary School

### Headteacher's Message

With the half-term break upon us I wanted to, once again, express my appreciation to those of you who have been supervising remote learning from home during the current lockdown. The staff and governors understand the challenges, and what a juggling act this has been for many. The children have been producing some wonderful work so thank you for the part you've played in encouraging them to always do their best.

For the critical worker and vulnerable children we've had in school, they've all demonstrated a fantastic work ethic and should all be proud of their achievements.

Remember we are closed to **all** children on Monday 22nd February. I hope you all enjoy your break from school routines, and we look forward to 'seeing' your child/ren back in the Google Classroom on 23rd February.

## SECTION 8 OFSTED INSPECTION

You will all be aware that Jolesfield was inspected by Ofsted last week. I am hoping to be able to share the report with you after half-term. In the meantime I would like to thank those of you who took time to complete the Parent View Survey, as all your feedback is used by the inspectors in reaching their final judgement.

## Thought for the Week

With Valentine's Day (or the Feast of Saint Valentine) being celebrated on 14th February, I thought we could think about our own friendships and how we behave towards others. Let's all be considerate and respectful to those around us and try to demonstrate kindness in everything that we do.

*"Why did you do all this for me?" he asked. "I don't deserve it. I've never done anything for you."*

*"You have been my friend" replied Charlotte. "That in itself is a tremendous thing."*
