Headteacher's Message

It was really wonderful to see so many of you at the sports day last Friday. It reminded me of what we have been missing so much over the last three years; the opportunity to come together as a community to celebrate the children's achievements.

I am busy writing questions for the JSA quiz which is due to take place in a week's time. I look forward to seeing many of you there.

Grasshopper Class took part in a two day residential at the Adur Centre at the beginning of the week. Activities took place on land and water, with overnight tented accommodation - a great time was had by all!

Year 6 have started work on the end of year production. I am sure we are set to enjoy some great singing and drama.

Our new Reception children visited school yesterday for a Stay and Play session - we look forward to welcoming them and their families to our school community in September.

Don't forget the Bake Sale that the School Council is running after school on Friday - thank you for supporting this charity event.

CAKE SALE

A reminder that School Council representatives will be holding a cake sale after school tomorrow in support of a local cause. Thank you for supporting this fundraising effort.

OTHER INFORMATION

PARKING

Over the last few weeks, I have received some complaints from our neighbours about parking. When dropping off and collecting your child from school please be considerate of driveways. Cars that are causing a nuisance by blocking drives and access will be reported to the police.

LOVE TO BAKE?

The Wholesome Warehouse is a charity based in Storrington that provides support for vulnerable families and individuals. They have a group of bakers in the village that provide homemade cakes/biscuits/bread to be included in their fresh food boxes. The charity is looking for more people to help provide these treats. Could you bake something once a month to help support this great local cause? For more information, please speak to Mrs Eyre in Bumblebee Class.

NEXT WEEK'S CELEBRATION ASSEMBLY - 8TH JULY

Unfortunately, we are having to cancel next week's celebration assembly as the hall is out of action. Apologies for any disappointment. All awards achieved during the week will be presented the following Friday.

SPORTING EVENTS

A number of children took part in sporting events this week. Y6 put in a great performance at an all day cricket festival on Monday, and Y3 & 4 represented Jolesfield in a 'friendly' rounders match yesterday. All demonstrated great sportsmanship and were a credit to Jolesfield - well done to all involved!

GOSH CHARITY EVENT - 14TH JULY

On 14th July we will be hosting a GOSH charity event. A flyer was sent out earlier today - all parents and carers are welcome. We expect the event to be lots fun, all whilst raising money for a great cause. Thank you for supporting this afternoon if you're able to.

Thought for the Week

The 2nd July marks Alice Day, an annual celebration of the much loved classic children's book Alice's Adventures in Wonderland by Lewis Carroll.

In the book we learn that Alice is always dreaming of unimaginable things; she even dreamt of six impossible things before breakfast! While some things will always seem impossible, setting high goals and striving to meet them is something anyone could and should do. Remember to never to let anyone else define what is impossible for you!

"When you believe in a thing, believe in it all the way, implicitly and unquestionably."
