Keeping Yourself Safe

- Be professional. Be careful how you interact with or speak to a child, the child may interpret it differently.
- Avoid physical contact with children unless you are preventing them from immediately harming themselves or other.
- Avoid being on your own with a child; always ensure that a door is open and that you are visible to others.
- It's best not to do anything for a child that he or she can do for him or herself.
- If you have concerns about a child, it is your responsibility to inform the Safeguarding Lead.
- Always tell someone if a child touches you or speaks to you inappropriately . Log down the incident, time and date and pass it to the Head Teacher or Deputy Head Teacher in her absence.
- If you have concerns about the conduct of staff it is your responsibility to inform the Head Teacher.

Remember... if in doubt... ask.

What to do if I am worried about a child?

If you are concerned about,

- something a child says
- marks or bruising on a child
- changes in a child's behaviour
- the safety of a child

you must immediately inform the Designated Safeguarding Lead - Ms Price.

In her absence inform a member of the Safeguarding Team. Such concerns should only be shared with the Safeguarding team.

If you feel that a child may be at risk of harm but are not sure, then inform a member of the Safeguarding Team immediately who will offer advice and take appropriate action.

A copy of the school's safeguarding policy is available from the school office or on our website www.jolesfield-school.co.uk

Sometimes a child may disclose information to you. If this happens then you must discreetly and confidentially inform a member of the Safeguarding Team immediately.
